

# GBU BUSINESS PROGRAM

Our Business Management major is all about preparing students to be ready to step into a new management or leading role within many industries or further their opportunities with their current employer. We offer small class sizes and individual attention. Students in this 18 month program will be provided with a tough curriculum to ensure they can handle high pressure situations and maintain a great team.

# MAJOR PROGRAM

## BUSINESS MANAGEMENT

Students in this program will have a vast curriculum with courses in communication, decision-making, interpersonal skills, professionalism and human resources. Students will dive into a summer internship during the last semester of the program, where they will be apart of an agile group to solve a real-life problem.
