

GBU ACCOUNTING PROGRAM

Our Accounting program is accredited by the ACBSP. Students will be prepared for an entry level accounting position. We offer small class sizes, and individual attention by our faculty. This 2 year degree program was designed to provide students with all the necessary skills along with a summer internship to fully prepare for the real world, Examples of classes that will be taken are payroll, auditing and computerized accounting. Students will learn all the hands-on knowledge like operating a personal computer and manual accounting components. An AAS degree will be obtained upon graduation from the program.
